RE: **DOCKET NO. 490** – The United Illuminating Company application for a Certificate of Environmental Compatibility and Public Need for the Old Town Substation Rebuild Project that entails construction, maintenance and operation of a 115/13.8- kilovolt (kV) air-insulated replacement substation facility located on the existing Old Town Substation parcel at 282 Kaechele Place and two parcels immediately north totaling approximately 3 acres that are owned by the United Illuminating Company at 312 and 330 Kaechele Place, Bridgeport, Connecticut, and related transmission structure and interconnection improvements.

Dear Attorney McDermott:

The Connecticut Siting Council (Council) is in receipt of the municipal participation fund fee submitted in response to the Council's July 2, 2020 notification of an incomplete application for a Certificate of Environmental Compatibility and Public Need (Certificate) with regard to the above-referenced matter.

The submission renders the application for a Certificate complete and the Council will process the application in accordance with Regulations of Connecticut State Agencies Section 16-50I-1a.

Thank you for your attention and cooperation.

Sincerely,

s/Melanie A. Bachman
